RESEARCH EXPERIENCE

Haas P, Norris B, Schweinfurth J. Subglottic Leiomyoma. Presented at the Combined Sections Meeting of The Triological Society, January 25-28, 2012.

Norris B, Schweinfurth J. A Novel Approach to Removal of Upper Airway Foreign Bodies. Presented at the Combined Sections Meeting of The Triological Society, February 4-7, 2010.

RESIDENT AND MEDICAL SCHOOL APPOINTMENTS

Lead Preceptor and Assistant Professor UGA / GRU Medical Partnership, 2012-Present

Organization of Resident Representatives, 2009 – 2012

The Organization of Resident Representatives (ORR) is the resident branch of the Association of America Medical College (AAMC). As the primary representative for the specialty of Otolaryngology to the AAMC, I attend national meetings to promote quality of health care and work to improve resident education and training.

Organization of Student Representatives, 2003 – 2007

The Organization of Student Representatives (OSR) is the student branch of the Association of America Medical College (AAMC). As the primary representative for Mercer University School of Medicine, I attended national and regional AAMC meetings and worked as a liaison between Mercer University and the AAMC to improve medical education.

PROFESSIONAL SOCIETY MEMBERSHIP

American Academy of Otolaryngology, Resident Member, 2007 - Present

Triological Society, Resident Member, 2007 – 2012

Mississippi Society of Otolaryngology, Resident Member, 2007 – 2012

Association of American Medical Colleges, Member, 2003 – Present

VOLUNTEER EXPERIENCE

Honduras Outreach Inc. 1997, 2002

Traveled to remote regions of Honduras providing medical care and upgrading living conditions. During these two-week visits, our group delivered vaccinations, staffed medical clinics, and constructed latrines in a remote Honduran village.

Predisan 2010

Traveled with a surgical brigade to Catacamas, Honduras to provide surgical services to the community. Assisted the surgical team operations including cleft lip and palate repair, excision of cutaneous leishmaniasis, ectropion repair, and scar revisions.

AWARDS RECEIVED

Academy of Otolaryngology, Annual Academic Bowl Champions, 2011

Resident Teacher of the Year, 2011

Resident Research Award, 2011

Junior Resident Academic Achievement Award, 2010

Otolaryngology Graduation Team Golf Tournament, First Place, 2008, 09, 10, 11, 12

Alpha Omega Alpha Medical Honor Society, Mercer University School of Medicine

Outstanding Student in Biomedical Engineering, Mercer University, 2002
